

Thomas Carr Visscher

Colorado Springs, Colorado

E-Portfolio: <http://www.visschervisions.com/>

Objective: Involvement in Design and Publications (Web Production, Graphic Design, Writing / Editing / Research).

Related Skills and Experience: Strong proficiency in Photoshop, Illustrator/ Freehand, Dreamweaver, Flash, Fireworks, and HTML / XHTML. Experience with InDesign, QuarkXPress, ImageReady, ULead Gif Animator, Cubase LE (audio engineering software), and CSS. Academic writing and research at graduate level.

RELATED WORK EXPERIENCE:

World Humor Organization, Inc. (Avenue Theater), Denver, CO.

Web Design / Graphic Design / Web maintenance.

March, 2005 – July, 2008

Web: I constructed the site in Dreamweaver (html “tweaked” as needed and CSS implemented for “rollovers”). Graphics created in Photoshop, Fireworks and Flash.

(I maintained the site on a part-time basis).

Print: I designed posters / postcards for plays and ads for the newspaper using Photoshop.

(Project-based / as needed).

World Humor Organization / Chicken Lips Entertainment, Inc., Denver CO.

Flash animation.

December, 2004

I created an animation intended as a “splash page” for a site that has yet to be developed (*Chicken Lips Menu*). Designed in Flash with minimal ActionScripting for interaction.

Freedom Angel Foundation, Boulder, CO.

Web Graphics Design.

October, 2001 – March, 2002 (as needed)

I designed site-specific graphics for a non-profit organization using Photoshop and Illustrator.

Haven House, Inc., Colorado Springs, CO.

Graphic Design.

November, 2000

I designed a poster for a non-profit organization using Photoshop.

Holt, Reinhart & Winston (Social Studies Department), Austin, TX.

Hyperlink Editor.

February, 1997

A contract position where I checked and corrected links on a CD supplemental to the Secondary School text *Exploring America's Past: A Multimedia Experience*.
